End Of Report

iReviewNow Report

May 27, 2011

The subject completed iReviewNow, our exclusive patented intellectual property, compliance questionnaire. A consumer may add a statement to his consumer report pursuant to the Fair Credit Reporting Act.

The subject stated the report was carefully reviewed, true and correct, and that it was authorized to be incorporated into the background report.

1. The subject acknowledged authorizing the report.
2. The subject identified the report as his/her report
3. The subject responded that the criminal history was accurate.
4. The subject denied currently being on probation or parole for a felony.
5. The subject admitted being convicted of each criminal record in the report; thus confirming it has been Accuritized®.
6. The subject was asked to explain from his perspective why he should be considered for employment or placement. He wrote:

"It has been four years since my last conviction. I have completed by AA degree with a 3.2 GPA. I am a father of two sons, ages 2 and 4, as I met my wife at church. I volunteer in speaking to schools and youth ministries about illegal drugs and crime with my parents. This is my way of giving back to my community for giving me a second chance after a bad start as a young man. I have been sober for over five years of which I am very proud. I make no excuses for my past criminal conduct, but I am no longer the same person."

7. The subject agreed that allowing him/her to review the SecurTest Report, answer these questions, correct any errors, offer explanations, and participate in verifying information was fair.
